What is Empty Bowls, Exactly?

The National Art Honor Society will be Hosting an Empty Bowls Fundraiser on Thursday, February 7th in Cafeteria A. Empty Bowls is an event where, for a suggested \$5 donation, guests come to enjoy a bowl of soup generously donated by local food vendors. All the money collected will be donated to local food pantries. Participants then choose an empty bowl that has been hand decorated by the National Art Honor Society to take home with them as a reminder of how many people in their community come home to an empty bowl every night, not able to feed their families.

DONATE to the MUSIC DEPARTMENT

Add candy to your bowl and have it wrapped for an additional \$5

**The Hicksville Middle School and Hicksville High School
Jazz Bands will be performing at the event.**
