**Directory of Local Scholarships
2024**

Through the generosity of the PTA's, school organizations in the Hicksville community, local organizations and individuals, a substantial number of scholarships are available to graduating seniors of Hicksville Senior High School. The purpose of these scholarships is to help deserving students meet the cost of preparing for their futures. Scholarships are not limited to the college bound and neither are they restricted to outstanding scholars. Students who have conscientiously applied themselves and have taken advantage of the high school educational opportunities should carefully review this directory and apply for all financial opportunities to help them achieve the next step toward their college and career goals.

This Directory presents a brief description of all local scholarships offered to members of the June 2024 graduating class of Hicksville High School. They have been numbered for identification purposes. Please note that there are opportunities for all students. Awards are available to students planning to attend college, technical school or trade school.

Review the descriptions in the Directory carefully and **apply only for those scholarships for which you meet the eligibility requirements**. Follow the instructions when filling out the application forms, which are included in the Directory (pages 24-28). The application is also available online as a fillable application. Carefully answer every question and include all information requested. Detach the application (pages 24-32) and return it to the Guidance Office, or print it out for submission. All additional applications are available in the Guidance Office as well as online (see links on page 33).

The Directory of Local Scholarships is also available on our school web-site at www.hicksvillepublicschools.org.
